Rev. 6/27/12

**The information below is associated with the Age Grid above.**

The list above is a "menu" of divisions that may be offered by an individual event producer. An event producer does not have to offer every division listed above. **However, a USASF member event producer may only offer divisions from the grid above and/or combine/split divisions based upon the guidelines below, unless prior written approval is received from the USASF.** Divisions/rules that are "less" or "more" restrictive than those listed are not permitted without written permission from the USASF.

The maximum size for a team is 32 competitors on the floor for the 2012-13 season, except for Levels 5 & 6 as noted.

The age of the competitor as of **August 31, 2012** will be the age used for competition purposes throughout the 2012-2013 season for **ALL** divisions.

The USASF recognizes the concern with fielding teams of a broad age range and highly recommends that individual gyms/programs be vigilant in monitoring participants of various ages on the same team and that, whenever possible, a team's composition is made up of participants of similar ages.

**Please go to [www.USASFRULES.com](http://www.USASFRULES.com) for the additional restrictions for the Senior 5 Restricted division.**

Senior Restricted Level 5 and Senior Level 5 divisions may not be combined into one division.

Youth 5 and Youth Restricted Level 5 have been combined into Youth Level 5.

**Please go to [www.USASFRULES.com](http://www.USASFRULES.com) for the additional restrictions for the Youth 5 division.**

For Junior Co-Ed Level 5, if there is only ONE co-ed competing, then the all girl and one co-ed team must be combined into one Junior Level 5 division (i.e. Four Junior Level 5 teams and one Junior Co-Ed Level 5 team = 5 Junior Level 5 teams for competition). If the Junior teams were split into Small and Large, then the Co-Ed team must be placed with the teams closest to its size.

For Senior Co-Ed Levels 3 and 4, if there is only ONE co-ed competing in a respective level, then that level must be combined into one Senior division (i.e. Four Senior Level 3 teams and one Senior Co-Ed Level 3 team = Five Senior Level 3 teams for competition). If the Senior teams were split into Small and Large, then the Co-Ed team must be placed with the teams closest to its size.

**The athletes who perform a routine must remain the same from start to finish and MAY NOT be replaced by another athlete at anytime during the performance.**

**\*\* -- SPECIAL NEEDS TEAMS**

Special Needs teams are limited to Level 3 rules, in addition to no basket tosses permitted.

**WHEN TO SPLIT DIVISIONS:**

**SMALL/LARGE SPLITS**

Event producers **will** split the division into "Small" and "Large" divisions when there are at least **two** teams that will ultimately be registered in each respective division. The designation of "Small" and "Large" divisions must follow the team sizes below:

Small = 5 – 20 members

Large = 21 – 32 members (36 members for Level 5)

International Open 5/6 and International Open Level 6 is not permitted to split into Small and Large.

Event producers will split divisions first by size (when applicable) and then by co-ed vs. all girl (when applicable).

**#SMALL/MEDIUM/LARGE SPLITS – For Senior Level 5 Only**

Event producers **will** split the Senior Level 5 division into "Small" and/or "Medium" and/or "Large" divisions when there are at least **two** teams that will ultimately be registered in each respective division. The designation of "Small", "Medium" and "Large" divisions must follow the team sizes below:

Small = 5 – 20 members

Medium = 21 – 30 members

Large = 31 – 36 members

An event producer must keep teams of 21 – 36 members in "Large" division, unless there are enough teams to split 2 teams each into "Medium" and "Large."

NOTE: For Worlds qualifying divisions at an event where Worlds bids will be awarded, an event producer may leave Senior Level 5 divisions split regardless of the number of teams competing in them.

**A/B SPLITS**

If after splitting divisions into "Small" and "Large" ("Medium" for Senior Level 5) there are **10 or more** teams in the "Small" or "Large" division, then event producers may split that division further by squad size or into "Small Gym" divisions. If splitting further by size, then event producers must use a name such as "Division I", "Division II" or "Division A", "Division B" to denote the split and must clearly define the number of competitors

Rev. 6/27/12

permitted on the team for each of these particular divisions. If splitting into a "Small Gym" division, then the definition of a "Small Gym" listed below must be followed.

No division may be subdivided further from the "Small", "Large" or "Medium (Senior Level 5) classification if it means that only **one** team will be left in a division.

Event producers will split divisions first by size (when applicable) and then by co-ed vs. all girl (when applicable).

A "Small Gym" is defined as having one physical address for its location and has **75 or less** athletes registered in its competitive cheer program at the time of competition. Exhibition teams, crossover athletes, special needs teams and dance teams do not count toward the 75 or less athletes.

It is up to the event producer's discretion as to how to monitor this.

Divisions that are designated as "Small Gym" must use the definition of a "Small Gym" listed above.

#### **CO-ED SPLITS**

Senior Restricted Level 5 may be split into Senior Restricted Level 5 and Senior Restricted Co-Ed Level 5 when there are at least **two** teams that will ultimately be registered in each respective division.

Senior Level 4.2 may be split into Senior Level 4.2 and Senior Co-Ed Level 4.2 when there are at least **two** teams that will ultimately be registered in each respective division.

NOTE: Event producers will split divisions first by size (when applicable) and then by co-ed vs. all girl (when applicable).

#### **SENIOR RESTRICTED SPLITS**

Event producers will split these divisions into Small Senior Restricted and Large Senior Restricted and then Senior Restricted and Senior Restricted Co-Ed when there are at least **two** teams that will ultimately be registered in each respective division.

Event producers will split divisions first by size (when applicable) and then by co-ed vs. all girl (when applicable).

#### **WORLDS SPLITS**

Event producers may also, at their discretion, split divisions into "Worlds Qualifying" and "Non-Worlds" qualifying divisions as long as the levels, age and female/male restrictions designated above remain the same for each division.

#### **SPLIT EXCEPTIONS**

Teams from the same gym will not have to compete against themselves if they have a "Small" and "Large" team in the same division (i.e. Small Junior Level 2 and Large Junior Level 2). A mandatory split in the division would occur in this situation, even it means that a division is left with only one team performing. This exception is to be applied only to teams from the same physical gym location. Programs with more than one physical gym location still will be required to compete against their own teams if these teams are from different physical gym locations and are registered in the same division.

NOTE: For Worlds qualifying divisions at an event where Worlds bids will be awarded, an event producer may leave these divisions split regardless of the number of teams competing in them.

#### **SMALL GYM COMPETITIONS**

Event producers may at their discretion offer separate competitions designated for "Small Gyms" only. Any USASF/IASF division may be offered at "Small Gyms" only events. A "Small Gym" is defined as having one physical address for its location and has 75 or less athletes registered in its competitive cheer program at the time of competition. Exhibition teams, crossover athletes, special needs teams and dance teams do not count toward the 75 or less athletes.

It is up to the event producer's discretion as to how to monitor this.

Competitions that are designated as "Small Gym" must use the definition of a "Small Gym" listed above.

#### **INDIVIDUAL/GROUP STUNT/ PARTNER STUNT COMPETITION**

The divisions of "Group Stunt", "Partner Stunt" and "Individual" may be offered by an event producer at their discretion. The age, level and female/male restrictions designated above must remain in place for stunt divisions (i.e. no Mini Stunt Group may perform at L5).

### **International Open Cheer Levels 5 and 6**

For U.S. teams competing in International divisions at competitions other than 2013 WORLDS, use the restrictions listed on the **USASF Age Grid** if there are **only** teams from the U.S. competing in your division.

For U.S. teams competing in International divisions at 2013 WORLDS or any U.S. based event where there is another country represented in your division, use the restrictions listed on the **IASF Age Grid**.

For non-U.S. teams competing in any U.S. based competition, as well as for those teams competing at the 2013 WORLDS, these teams must follow the **USASF Age Grid** for Club divisions and the **IASF Age Grid** for International divisions.

### **TRIAL/NON-SANCTIONED DIVISIONS:**

#### **OPEN LEVEL 4 — 17 Years and Older – 1-15 Males – 5-24 Members**

An event producer must request a "waiver" from the USASF to offer this "trial" division for the 2012-13 season. This is a non-sanctioned division that does not count toward any Cheerleading Worlds bid. Event producers are requested to complete a USASF "waiver" to offer this division.

### **ALL STAR PREP**

These are non-sanctioned divisions that do not count toward any Cheerleading Worlds bid. Event producers are requested to complete a USASF "waiver" to offer this division during the 2012-13 season. The following criteria must be met in order to compete in these divisions:

- Maximum routine length is 2 minutes
- At any given event, an athlete may not crossover between teams competing in a standard division and teams competing in a 'Prep' division (and vice versa).

In addition to the criteria listed above, Event Producers may apply their own additional unique criteria when defining eligibility requirements for these divisions. Event Producers must declare what criteria they used to differentiate their 'Prep' divisions from the standard USASF divisions (ex: for half year teams, for teams not allowed to practice more than 2 hours a week).

### **CROSSOVERS**

An individual will not be permitted to crossover from one program to another within the same event (Exception: An athlete from one gym may crossover to **one additional** gym's Level 6 team provided (s)he meets the age requirement.

For the 2012-13 season, an all-star cheerleader is limited to crossing over to **2 (two)** additional cheer teams from their gym per competition. Therefore, an athlete may compete on one team and crossover to two more teams from the same gym during the competition.

An event producer may choose to be more restrictive than the rules above for crossovers limiting the number of teams an athlete may crossover to further; however an event producer may not be less restrictive than this.

Crossover limitations above do not include athletes that crossover from cheer to dance.
